## ▶ ABOUT US

NEXUS Engineering General Trading & Contracting Co. is a specialized firm in the field of Civil and Mechanical Engineering works catering the needs of Oil & Gas and Commercial Sectors of the Construction industry, with a workforce of more than 350 employees and equipped with top-of-the-line vehicle and equipment fleet.

NEXUS Engineering, a company that has taken over 23.5 Million KWD in projects, established in 2016. Envisaging the need for a strong Mechanical department, led to the establishment of Nexus Engineering, majorly emphasizing on mechanical projects. Apart from the major construction services, we also provide support services that includes manpower supply, equipment supply, temporary facility support etc.

Over the years, we have emerged as a trusted, reliable and promising construction firm supported by ISO system with core competencies in Oil & Gas and Commercial sectors. We have more than 350 owned visa quotas at present and are proud of our distinct culture of relationship-based work ethics where our limelight is on your needs and assuring you qualitative experience.

## Vision

“To create and maintain an organization of highly skilled professionals that delivers quality while maintaining the highest health and safety standards.”

## Mission

“To be a leader in providing cost-effective solutions by creating successful partnerships with clients throughout the construction process and to establish long lasting relationships with our clients by exceeding their expectations and gaining their trust by delivering projects to their utmost satisfaction.”

## Values

- We strive for excellence in quality, and we continuously innovate, utilizing advanced technologies.
- We are fully dedicated to delivering clients requirements through the most efficient use of resources.
- We are committed to safeguarding all stakeholder’s interests including the health and safety of our employees, the society as a whole and the environment.
- We are fully accountable for carrying out our responsibilities in accordance with our values and principles.

# BUISNESS UNITS

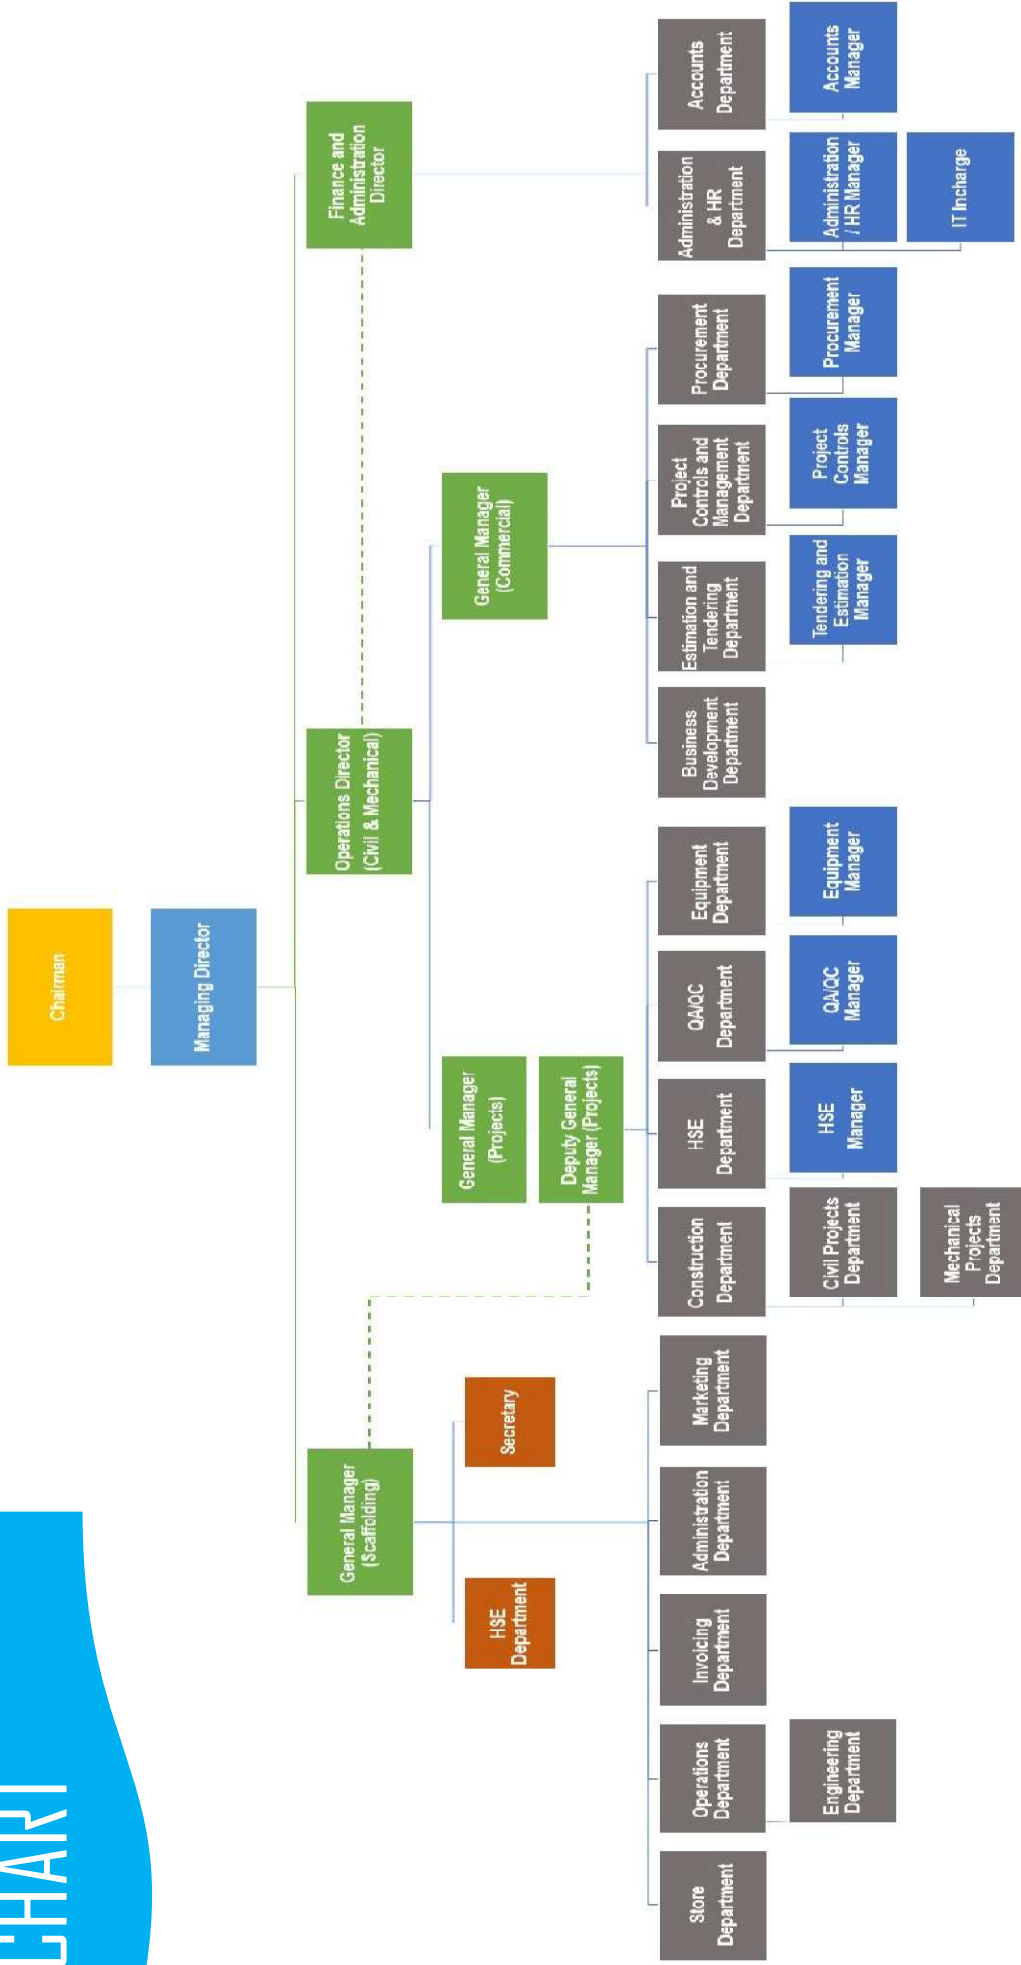

# BUSINESS UNITS

Nexus has maintained a highly skilled workforce of more than 350 employees delivering cost-effective solutions to the clients with utmost satisfaction.

We have a top management committing personally to all projects undertaken. With the coordination of our various departments, we dispense services effectively within the stipulated time.

# ORGANIZATION CHART

# BUISNESS LINE SERVICES

# BUISNESS FIELDS

Nexus have ascertained its spot in various fields of civil & mechanical engineering by providing a diversified list of services. We ensure that each of our client is offered and assured with a qualitative experience.

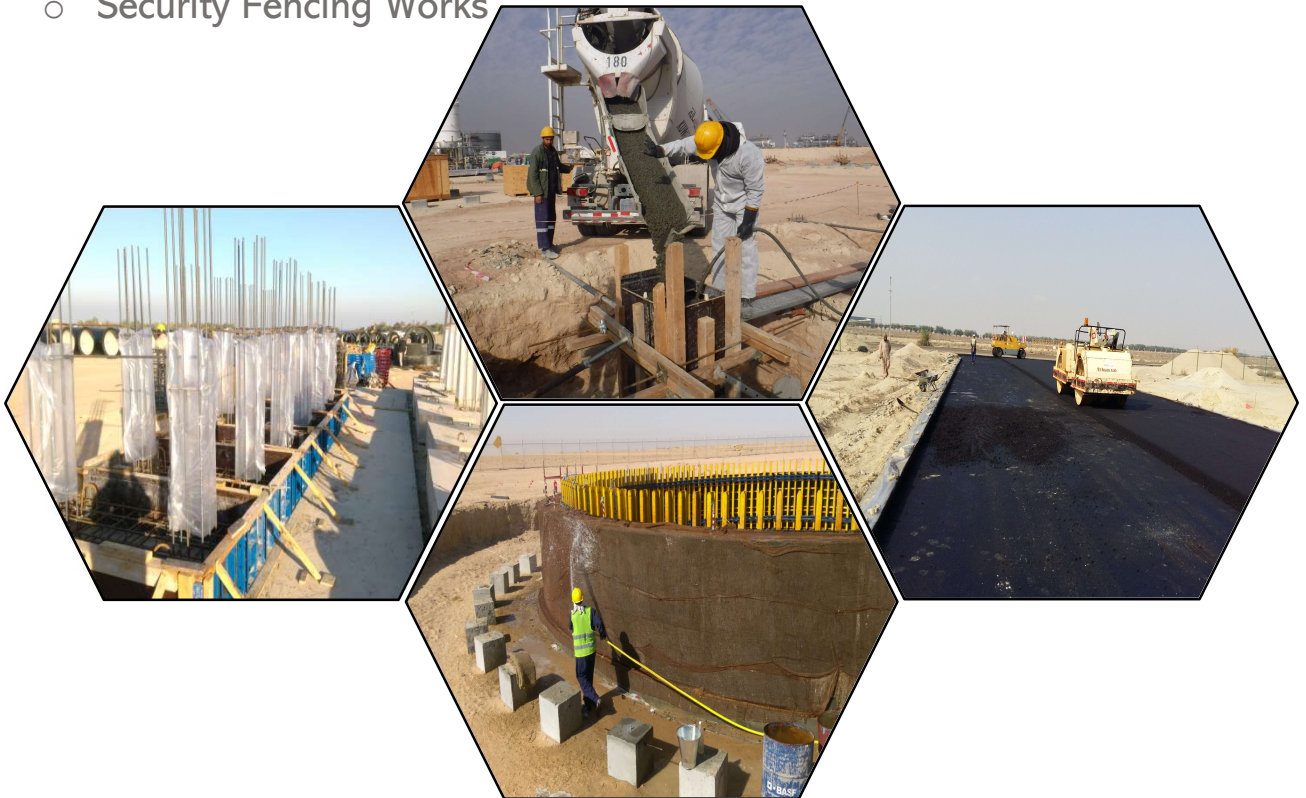

Our expanded list of works include Civil works, Mechanical works, Scaffolding works, Fabrication works & Support works within the following fields herein:

- Oil & Gas Field (Onshore)
- Petrochemicals
- Power Plant (Electricity & Water)
- Refineries
- Other Industrial Plants

# Civil Works

Nexus has mastered the art of civil construction by being a front runner for the diversified services provided to all our clients. Some of our major civil works include:

- Sub Station Civil Works
- Tank Ring Wall Foundations
- Equipment Foundations
- Valve Pits & Drainage Networks
- Bund Wall, Ponds & Pits
- Asphalt & Concrete Roads
- Water Proofing, Fire Proofing
- Security Fencing Works

# Mechanical Works

Mechanical Engineering works being one of the broadest discipline of Engineering is a field of service that we take immensely pride in. Our mechanical services cover:

- Piping Fabrication, Erection & Testing
- Pipeline Construction
- Internal & External Painting
- Steel Structure Fabrication & Erection
- Equipment Erection
- Pre-Commissioning Works

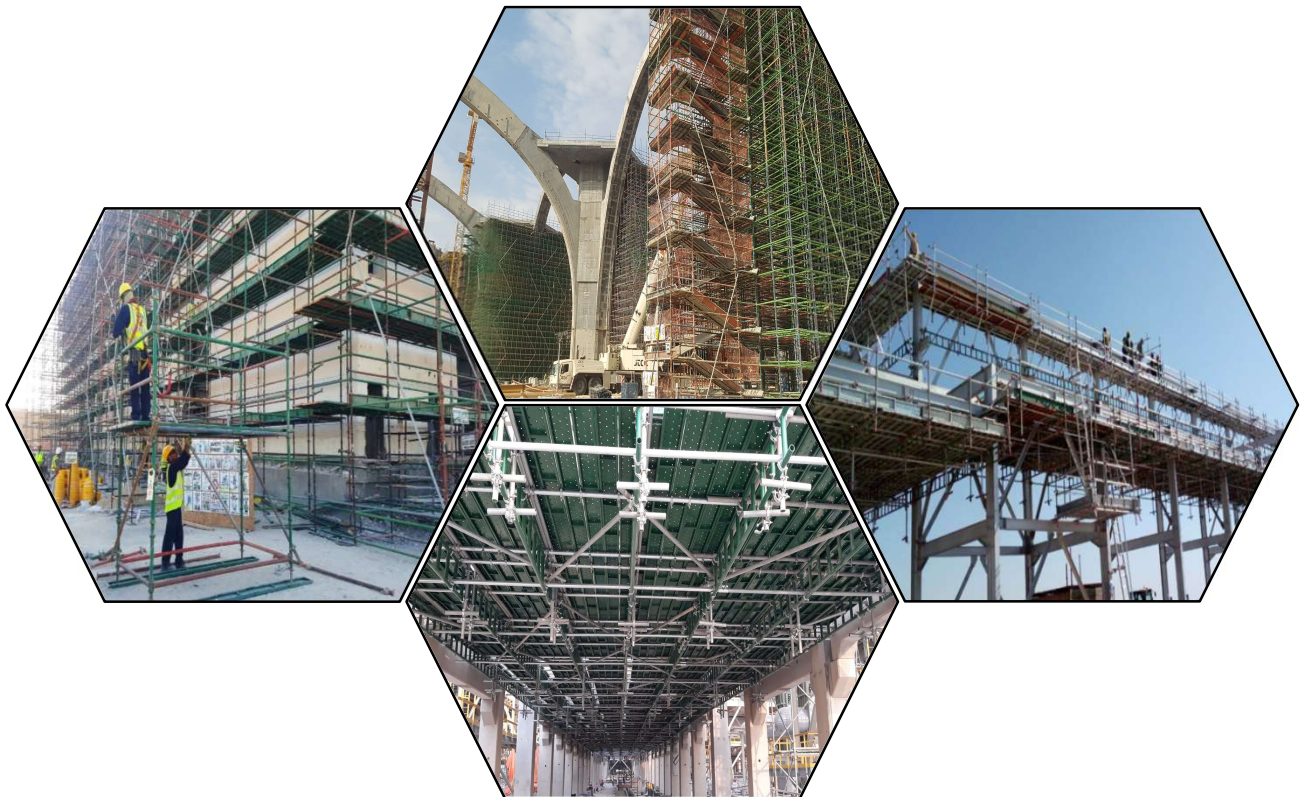

# Scaffolding Works

The persona of NEXUS is further enriched by the presence of best suited scaffolding team providing full time scaffolding services for any functional requirements. We have an in stock of about 250,000 m3 scaffolding materials and have undertaken medium to large scale scaffolding work contracts comprising the following services:

- Erection & Dismantle Services
- Supply of Qualified Technicians
- Supply Of Scaffolding Material
- Engineering services – Drawing, Design & Estimation of Materials

# Support Works

NEXUS have always extended hands for support works comprising of the following services:

- Manpower Supply
- Heavy Equipment & Vehicles Supply
- Temporary Facility Works
- Diesel & Water Supply
- Material Supply

## ➤ Equipment Leasing

Equipment	Manufacturer	Model / Capacity

# QHSE SYSTEM

# IMS & HSE POLICIES

NEXUS ensures that commitment to quality remains fundamental and supreme. But quality comes in picture by not compromising a safe and healthy environment for our employees.

We strongly comply and indulge with our IMS and HSE policy statements to ensure a safe, healthy and sound work atmosphere without negotiating on the output quality. These laid out principles helps to guide our actions to deliver services that supports us in attaining our position in the market as the best trusted leading contractor firm.

Nexus Engineering General Trading & Contracting Co. W.L.L.  
شركة نكسس الهندسية للتجارة العامة والمقاولات ذ.م.م

### IMS POLICY STATEMENT

We shall strive to be the market leader in all business domains, including all types Construction & Maintenance Projects.

We are committed to provide highest quality to our clients, by meeting their expectations through active employee involvement and by effective implementation of QHSE Systems.

Our aim is to provide most efficient and accurate services to the total satisfaction of our clients by:

- Effective Planning & monitoring the progress of projects/jobs and controlling the execution by adopting and implementing the latest project management practices.
- Enhancing the skill levels of employees by providing regular, in all aspects of Quality, Safety, Health, Environment, and Technical knowledge.
- Minimize the impact of our business activities on environment by adapting Reduce - Reuse - Recycle concept.
- Enforcing that Quality & HSE is the responsibility of every employee and every functional unit to prevent incidents and ensuring safe work environment.
- Ensuring meaningful and widespread employee involvement, nurturing the core value - "One Team, One Family" - resulting in pride of workmanship.
- Ensuring Continual improvement in all our business processes and effective compliance to the requirements of Integrated Management System in accordance with ISO 9001:2015, ISO 14001:2015 and OHSAS 18001:2007.

Nexus Engineering General Trading & Contracting Co. W.L.L.  
شركة نكسس الهندسية للتجارة العامة والمقاولات ذ.م.م

### HSE POLICY STATEMENT

It is the policy of Nexus Engineering to manage all its activities and operations in a responsible manner that protects the health and safety of its employees, contractors and public while minimising the adverse impact on the environment.

To accomplish this we will:

- Ensure that all personnel, whether employees or contractors, are aware of their delegated HSE responsibilities and are sufficiently trained to undertake these.
- Design and manage our activities to prevent pollution, minimise environmental and health impacts and provide work places where safety hazards have been fully assessed and appropriately mitigated.
- As a minimum, comply with all applicable HSE legislation, regulations and standards.
- Ensure that HSE protection commands equal prominence with other business considerations in the decision making process.
- Fully consider local community expectations and concerns, cultural heritage, short and long term benefits and costs and liabilities.
- Make this policy available both internally and externally to our stakeholders.
- Strive for continuous improvement in our HSE performance and measure this by setting objectives and targets consistent with the aims of this policy.
- Routinely monitor and report HSE performance to the Nexus Board of Directors, who will ensure that the necessary resources are provided to support this policy fully.
